

Starting Instrumental Lessons at North Walsham High School - Autumn Term

Dear Parent /Carer

Your son/daughter has the opportunity to start receiving instrumental lessons at NWHS. The cost of lessons to parents is £80 per full term. The lessons will be September to December 2017, and there will be 10 sessions a term.

Lessons take place in 20-minute slots and occur for 10 weeks on a rotational basis. This is to avoid missing out on the same curriculum lessons. Please note that students are responsible for catching up on any work missed and this must be negotiated with the class teacher. Sometimes lessons will occur during break and lunch times.

If your child is serious about starting lessons and realises the need for regular practice, please complete the slip below and return it to me at school so that I can make the necessary arrangements to place them on the timetable. Please could you also return the slip on the attached letter, which outlines some terms and conditions. These are there to make the running of instrumental lessons as smooth and efficient as possible for students, parents and teachers. Should you have any questions, please do not hesitate to e-mail me on gardnerl@nwhs.uk

Lessons that are currently available are drums, guitar/bass, piano/keyboard and vocals. If other instruments wish to be learned it may be possible to find another teacher when there is enough interest.

I look forward to your son / daughter becoming musically involved!

Yours sincerely,

Mrs. Gardner- Head of Music
