25<sup>nd</sup> May 2018

Dear Parent /Carer

The Duke of Edinburgh (DfE) team are running a training event during Activities Week. From Monday 11<sup>th</sup> June to Wednesday 13<sup>th</sup> June 2018 students will be learning the skills they need to complete their DfE qualification. On Monday they will be all taking part in a navigational exercise in the local area and on Tuesday they will go out to do their first training walk. On their return to school all participants will be camping on the school field practicing the skills they have learnt.

Once the students pass this section, we can start to plan for the expeditions in September. We will also be running a further practice session involving a live camp on selected Fridays and Saturdays through June and July. More details will follow about these events.

I have included an equipment list with this letter. Please read through the list and let me know, by email, if there is any issue with anything your child will need to have.

We are currently looking for additional sponsorship to provide further equipment for our students. If you would like to support this exciting and incredible opportunity for our students (either financially or in person as a helper) please contact me at your earliest convenience.

If you have any questions, please contact me as soon as you can on [watersa@nwhs.uk](mailto:watersa@nwhs.uk)

Yours sincerely

A Waters  
Assistant Head / D of E Manager
